ATHLETICS DEPARTMENT MISSION STATEMENT

The mission of the Department of Athletics is to provide the administrative and coaching support, facilities, resources and equipment necessary for student-athletes to graduate from The University of Iowa while participating in broad-based championship-caliber athletic competition. The overall well-being of the participant and the integrity of the program will be paramount in all that we do.

PRACTICE ATTENDANCE & INTERVIEWS

All practices are open to the media, and interviews may be conducted 15 minutes prior to or at the completion of practice. The men's tennis team practices at the Hawkeye Tennis and Recreation Complex. All interviews should be coordinated by Brady Johnson in the sports information office. Please contact him at (319) 335-9411 so an interview time which does not interfere with the student-athlete's academic or practice schedules can be coordinated.

TRAINING ROOM

TEAM ROOM

LOCKER ROOM

As part of the West Campus Tennis Recreation Center and Sports Activity Fields project, construction of the Hawkeye Tennis and Recreation Complex was completed in the summer of 2006. The building officially opened July 31, 2006.

The complex is used by the Hawkeye men's and women's tennis, field hockey and soccer teams, as well as students and the public for general recreation. Along with eight indoor courts and 12 outdoor courts, the facility includes sports medicine facilities, team and public locker rooms, meeting rooms and video rooms. The building also houses Iowa tennis offices and a reception area.

For the general public, there is Fitness West - a 2,700 square foot fitness area, an indoor turf facility for intramural and club sports teams and a 3,500 square foot Touch The Earth Outdoor Rental & Resource Center.

KATIE DOUGHERTY
HEAD COACH
3RE YEAR

Katie Dougherty enters her third season as head coach of the Iowa women's tennis program. Dougherty is a seven-year coaching veteran in the Big Ten Conference, having spent time at Penn State and Wisconsin prior to arriving in Iowa City. Dougherty, a native of Ellicott City, Md., was named the University of Iowa's seventh women's head coach November 19, 2009.

Before Dougherty arrived on campus, the women's tennis program had advanced to the NCAA Division I doubles championship just two times. That appearance total doubled in 2011 when the Hawkeyes sent a doubles tandem to the NCAA tournament for the second time in as many seasons under Dougherty's watch.

In 2010, her first season at Iowa, the Hawkeyes reached No. 18 in the ITA national rankings, the highest ranking in program history, and earned the No. 4 seed in the Big Ten Championships. Dougherty guided Iowa to the NCAA Championships, ending a four-year postseason drought, and the team's 17-7 overall record made Dougherty the winningest first-year coach in program history. Under Dougherty's leadership, Iowa's No. 1 doubles team of Merel Beelen and Sonja Molnar earned the No. 14 seed in the doubles tournament at the NCAA Championships. The duo became Iowa's first doubles team to advance to the national championships since 2000.

Prior to joining the Hawkeyes, Dougherty served as assistant coach and recruiting coordinator at Wisconsin, where she managed the day-to-day operations of the women's tennis program and served as a co-director of Badger summer tennis camps. Her 2008 and 2009 recruiting classes received national recognition from Tennisrecruiting.net.

Dougherty served as an assistant coach at Penn State (2004-07) and American University (2003-04) before joining the Badgers. She helped guide American to the 2004 Patriot League title and automatic berth in the NCAA tournament. Dougherty has also gained experience beyond collegiate tennis, serving as a junior development coach at both the Four Star Tennis Academy in Merrifield, Va., and the Western Racquet Club in Elm Grove, Wis. At the Four Star Academy, Dougherty instructed a number of nationally-ranked juniors.

Before beginning her coaching career at the Western Racquet Club in 2003, Dougherty competed collegiately at Wisconsin (1999-2002). A four-year letterwinner for the Badgers, Dougherty finished her career with 45 singles victories. She was also a nationally-ranked doubles player, claiming 45 career doubles wins.

Since 2008, Dougherty has been a Professional Tennis Registry Certified Professional. She was a nationally-ranked junior player in singles and doubles and was the 1997 Baltimore Sun Athlete of the Year. She graduated from Wisconsin in 2002 with a degree in English.

JESSE MEDVENE-COLLINS
ASSISTANT COACH
2ND YEAR

Jesse Medvene-Collins enters his second season as assistant coach at the University of Iowa.

Medvene-Collins, a native of Washington D.C., broke into collegiate coaching with stints at Dartmouth and Wake Forest. While serving as an assistant coach for the Demon Deacons, he helped guide Wake Forest to three straight NCAA appearances and top 25 national rankings from 2005-07.

Medvene-Collins helped lead Dartmouth into the top 100 while serving as an assistant coach from 2003-05. He later went on to become an assistant coach at his alma mater, the University of Redlands, where he helped lead the Bulldogs to conference championships in 2008 and 2009. Medvene-Collins earned his BA from Redlands in 2002 before returning to earn his MA in 2009. He was a four-year letterwinner and three-time all-conference honoree while competing for the Bulldogs from 1998-2002.

Prior to joining the Hawkeyes, Medvene-Collins served as head coach at Mills College from 2009-10.

Iowa City is a media saturated environment. And with no professional teams in the area, the Hawkeyes garner extensive coverage from newspapers, television and websites.

TELEVISION

With the launch of the Big Ten Network, the Big Ten is the only conference in the country that has its own national network devoted to athletics programming. Hawkeye field hockey fans can expect to see numerous games each year on the network in stunning hi-definition. Fans can also watch additional games online at BTN.com.

HAWKEYESPORTS.COM

Media and fans can also obtain a wealth of up-to-date information about the Hawkeyes on the official web site of the University of Iowa -- hawkeyesports.com. Live stats (gametracker), box scores, play-by-play, photo galleries, coach and bio information, video, podcasts and more, including the all new interactive magazine (UI-Mag), can be found on the web site. Additional information, video, photos and more can be found on the team's Facebook and Twitter accounts.

Furthermore, hawkeyesports.com has a fresh look after the site was re-designed and re-launched in October 2010. The new and improved site has enhanced graphics, is easier to navigate, and has more content and video/audio for the diehard Hawkeye fan.

NEWSPAPER COVERAGE

Fans can also read about Hawkeye action in several newspapers/websites throughout the state of Iowa. A few of the papers that cover the Hawkeyes on a regular basis include: The Des Moines Register, the Iowa City Press-Citizen, the Cedar Rapids Gazette, the Quad City Times, The Daily Iowan, the Voice of The Hawkeyes, the Burlington Hawkeye, the Waterloo Courier, and the Moline Dispatch.

The Big Ten Network is the first internationally distributed television network dedicated to covering one of America's premier collegiate conferences. Considered to be one of the most successful launches in cable television history, the Big Ten Network became the first network in cable or satellite television history to reach 30 million subscribers within its first 30 days on the air. With more than 350 live sports events, and virtually all of them in high definition, the Big Ten Network is the ultimate destination for Big Ten fans and alumni across the country.

The network is available up to an estimated 75 million households, and in all 50 states and Canada though agreements with more than 300 cable, satellite and telco affiliates. Customers of DIRECTV and DISH Network, have access to the network regardless of where they live, while Verizon and AT&T continue to roll out their FiOS and U-Verse services across the country. On cable, the network is available in 19 of the nation's 20 largest media markets. To get the channel number specific to your area and provider, visit http://www.btn.com/channelfinder.

The network operates 24 hours a day, 365 days a year, showcasing a wide array of classic-to-current sports and televising more Olympic sporting events and women's sports than has ever been aired on any other network.

The Hawkeyes have been televised 12 times over the last three seasons, three times by the network in 2009 and 2010 and six times in 2008. The Big Ten Tournament semifinals and finals are televised each year.

GARY BARTA
ATHLETIC DIRECTOR

Gary Barta is in his sixth year as director of athletics at the University of Iowa – and his 25th year in athletics administration – riding a wave of momentum. Cause for that energy is the fact the Hawkeyes enjoyed record-setting performances in the classroom and on the playing field, the completion of the second-largest construction project in the history of intercollegiate athletics at the UI, and the breaking of ground on a new indoor practice facility for the Hawkeye football program.

With respect to the UI academic momentum, Barta expects the graduation rates for student-athletes made public this fall to be among the highest ever achieved at the UI. Those numbers are also expected to compare favorably with the UI's Big Ten Conference and national peers in the high profile sports of football, and men's and women's basketball.

In May, the NCAA confirmed that all 24 of Iowa's teams exceeded the Academic Progress Rate (APR) benchmark for the third straight year and honored a school-record four UI teams – men's cross country, softball, men's tennis and women's tennis – that ranked in the top 10 percent of their sport, based on their most-recent multi-year APR.

Competitively, the UI set a school record with 510 points scored in the 2011 Learfield Directors' Cup. This success was driven in great measure by another successful season for the UI football team – which won a record third straight bowl game, 27-24, over Missouri in the Insight Bowl; a third-place finish at the NCAA championships by Iowa's wrestling program; a fourth straight appearance in the NCAA postseason by the women's basketball program; strong performances by the UI's men's and women's track and field teams; and a school-record 10th place finish by the UI men's golf team.

The highlight of the UI's year in Big Ten Conference competition was the first league title in men's track and field in 44 years. Larry Wieczorek's squad climbed to the top of the podium by dominating the final day of competition on the UI's Cretzmeyer Track. An All-American distance runner as a student-athlete at the UI, Wieczorek was named the Big Ten Track and Field Coach of the Year in recognition of his team's performance and for qualifying no fewer than 33 male and female student-athletes for postseason competition.

In addition to the competitive success the Hawkeyes recorded in 2010-11, the UI also experienced tremendous success at the turnstiles. Iowa entered the 2010 home football season with all seven home games sold out. The UI will do the same in 2011 and boasts waiting lists for not only season tickets to the home games of Kirk Ferentz's squad, but also the premium seating options available inside the Paul W. Brechler Press Box at Kinnick Stadium.

Attendance at home games of first-year men's basketball coach Fran McCaffery soared 23 percent – the fifth-highest increase by percentage in the country and the largest by a team that did not advance to postseason play. Attendance at women's basketball games increased by almost 60 percent. Iowa ended the year ranked 13th – the program's highest finish in more than a decade.

As always, success at the gate provides Barta the financial resources to meet the mandate of Iowa's institutional leadership: Operate the intercollegiate athletics program with integrity, with a commitment to academic excellence, and without any support from tax dollars, i.e. be "self-sustaining."

Inherent in Barta's charge is to provide the more than 650 student-athletes who compete in the 24 intercollegiate athletics programs at the UI the best opportunity for success, including training and competition facilities that compare favorably or exceed those offered by comparable institutions. The 2010-11 season marked the first for the men's and women's swimming and diving teams in the UI's $69 million Campus Recreation and Wellness Center.

In late summer 2011, the UI completed a $47 million revitalization of Carver-Hawkeye Arena. That project includes the construction of a practice facility for men's and women's basketball and volleyball, a 10,000-square-foot strength training and cardiovascular center, and an expansion to the Dan Gable Wrestling Complex, in addition to new locker room and support facilities for men's and women's basketball, wrestling and volleyball programs, and office space for the majority of Iowa administrative and coaching staffs.

The Carver project includes the installation of a statue of Gable at the facility's main entrance. That project will be completed in time for thousands of fans of the sport of wrestling to enjoy when the UI stages the 2012 USA Wrestling Olympic Team Trials in April 2012 – an event that represents not only the UI's commitment to its nationally-respected wrestling program, but Barta's desire to strike partnerships when success would be mutually beneficial.

The UI Department of Athletics will break ground on Phase I of a two-phase project for the UI football program in late summer 2011. Phase I includes the construction of a new indoor practice facility; Phase II includes construction of all football operations areas including locker rooms, team meeting rooms, athletic medical training space, video operations, and coaches offices and meeting rooms. Funded entirely through private support, the project is an important next phase of the master facilities plan for Hawkeye football. It will be constructed adjacent to the Ron and Margaret Kenyon Outdoor Practice Facility and immediately west of Kinnick Stadium.

Barta has also received permission form the State of Iowa Board of Regents to construct a new practice facility for the men's and women's golf programs. The facility will be located on the southern edge of the UI's award-winning Finkbine Golf Course and will begin construction as soon as the funding required is secured from friends and fans of the Iowa Hawkeyes and the UI's golf programs.

Barta's involvement in the UI campus community extends beyond intercollegiate athletics. He is a member of the President's Cabinet comprised of vice presidents and other campus leaders that provide counsel to UI President Sally Mason. That group was instrumental in the UI's response to record-setting flooding that besieged the campus and the Iowa City and Coralville community in June 2008.

Barta also represents the UI and the Hawkeyes at the conference and national level. During his first five years at the UI, he has participated in the creation and implementation of the Big Ten Network, the expansion of the Big Ten Conference and realignment of athletics conferences nationally, and the Big Ten's postseason bowl game agreements that were successfully implemented in 2010.

Nationally, Barta remains active in the Division IA Athletics Directors Association, the National Association of College Directors of Athletics, and currently serves on the NCAA Football Committee Board of Directors.

Barta often suggests to his staff that "Hope is not a strategy," which is why he is currently overseeing a comprehensive review of the strategic plan for the UI Athletics Department and has worked with the UI's leadership on a long-term financial plan.

Another favorite saying of his is, "Vision without resources is irrelevant." Over the course of his career he has been directly involved in raising hundreds of millions of dollars in support of intercollegiate athletics. This has remained a primary focus during his tenure at Iowa, where private support for the Hawkeyes continues to flourish despite a challenging economy.

In recent years, the department has received a long list of commitments to assist in capital projects and scholarship support, including gifts of $5 million each from long-time friends of the UI – Dale and Marilyn Howard, Bruce Rastetter and Richard O. Jacobson.

Under Barta's leadership – and thanks to a talented athletics development staff – the UI has seen year-over-year improvement in annual giving in spite of the difficult economic environment and has generated more than $20 million of philanthropic and corporate sponsorship support for the Carver-Hawkeye Arena project.

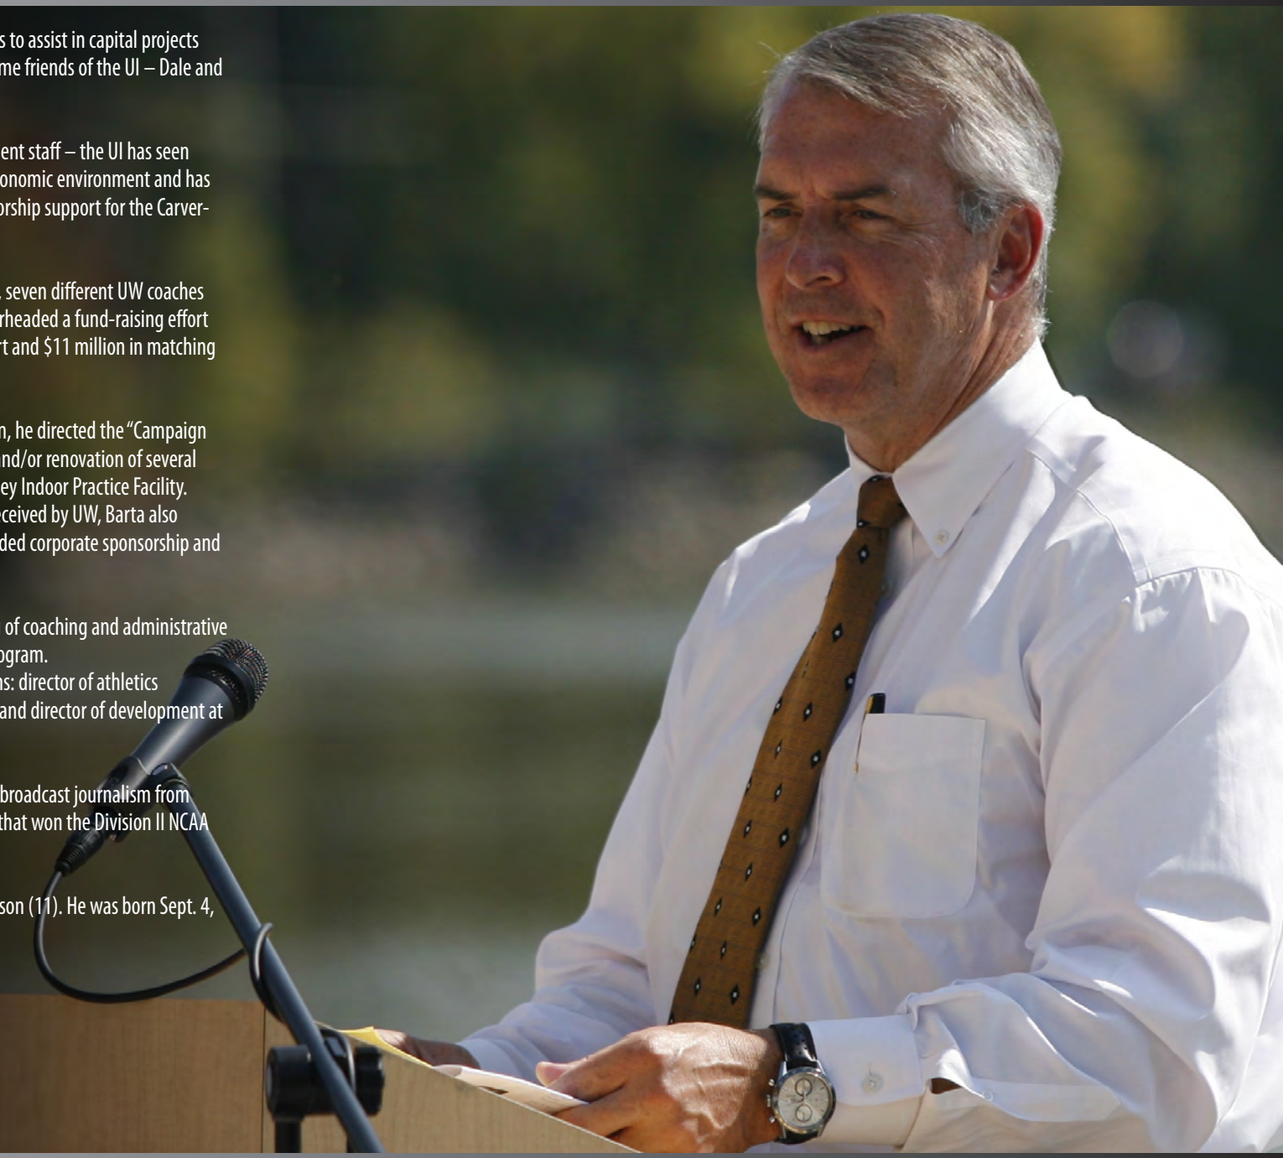
As the director of athletics at the University of Wyoming for three years, seven different UW coaches were named Mountain West Conference Coach of the Year. He also spearheaded a fund-raising effort that netted the Cowboy athletics program $11 million in private support and $11 million in matching state fund.

As the senior associate athletics director at the University of Washington, he directed the "Campaign for the Student-Athlete," was a participant in the design, construction and/or renovation of several UW athletics facilities, including Bank of America Arena and the Dempsey Indoor Practice Facility.
In addition to almost doubling the amount of annual private support received by UW, Barta also managed the department's external relations division, a task that included corporate sponsorship and radio contracts.

His responsibilities at Washington expanded over time to include hiring of coaching and administrative staff and coordinating the schedule for the Huskies men's basketball program.
The roots of his development experience extend to his first two positions: director of athletics development and external relations at the University of Northern Iowa and director of development at his alma mater, North Dakota State University.

Barta earned a bachelor of science degree in mass communication and broadcast journalism from NDSU in 1987. He was an option quarterback for Bison football squads that won the Division II NCAA National Championship in 1983, 1985 and 1986.

Barta, and his wife, Connie, have a son, Luke (13) and a daughter, Madison (11). He was born Sept. 4, 1963, in Minneapolis.



IOWA RANKS AMONG BIG TEN LEADERS

The UI Department of Athletics is under the direction of Gary Barta and is regarded as one of the top intercollegiate programs in the nation. Once again, the Hawkeyes enjoyed success both athletically and academically in 2010-11.

Sixty-four Hawkeyes earned all-conference accolades, while 44 were recognized as All-Americans. Hawkeye student-athletes excelled in the classroom as well with 172 earning Academic All-Big Ten laurels. Thirty-four Hawkeyes were honored by the Big Ten Conference with the Distinguished Scholar Award. The graduation rate of Iowa's student-athletes has improved in each of the past 10 years and has consistently ranked above the graduation rate of all UI students.

Iowa's men's cross country, men's and women's tennis, and softball teams were recognized by the NCAA for their high academic marks. The four teams earned Public Recognition Awards, based on their most recent multi-year Academic Progress Rates.

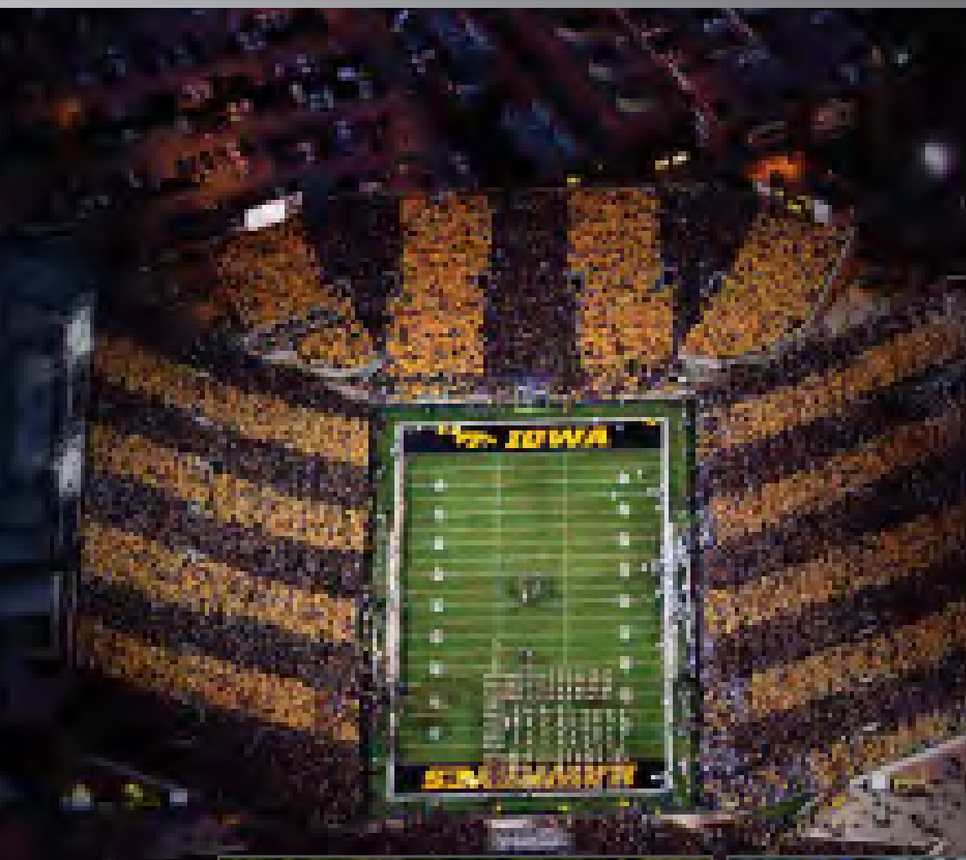
The UI closed the 2010-11 athletics year with a bang, establishing a school record in total points scored in the annual Learfield Sports Directors' Cup. The Hawkeyes accumulated 510 points in the competition that awards points based on each institution's finish in national championship competition in up to 20 total sports (10 women's and 10 men's).

Several new projects have come to completion on the Iowa campus. Some of the latest additions to the UI campus include the completion of the new Campus Recreation and Wellness Center, which houses the swimming and diving teams, and the state-of-the-art $7 million rowing boathouse. In addition to the brand new swimming and rowing facilities, the Roy G. Karro Athletics Hall of Fame and Visitors Center, the Russell and Ann Gerdin Athletic Learning Center and the Hawkeye Tennis and Recreation Center completed construction in recent years. Furthermore, the UI completed a $47 million Carver-Hawkeye Arena renovation project in the summer of 2011.

Kinnick Stadium received a major upgrade and renovation that was completed just prior to the 2006 season. The $89 million project included the replacing of the south end zone stands and building of a four-level press box that houses 47 guest suites. New scoreboards, video walls, concession stands and rest rooms were also part of the project.

IOWA WRESTLING

The Hawkeye wrestling team continued its dominance on the mat, finishing third at the NCAA Championships. Iowa has claimed 23 national championships, including three in the last four years, and 34 Big Ten titles. Five Hawkeyes earned All-American accolades en route to the team's third place finish.



IOWA FOOTBALL

Iowa football continued its stellar play, finishing in the upper division of the Big Ten for the ninth time in the last 10 years. The Hawkeyes capped their season with a thrilling 27-24 come-from-behind victory over Missouri in the Insight Bowl. The win was Iowa's third straight bowl victory, a school record.

IOWA WOMEN'S BASKETBALL

The women's basketball team had another outstanding season, finishing third in the league and advancing to the NCAA Tournament. Lisa Bluder, who is a three-time Big Ten Coach of the Year and two-time Regional Coach of the Year, coached Kachine Alexander and Jaime Printy to honorable mention All-America status. Alexander was also tabbed the Premier Player of the Year. Bluder has guided Iowa to eight first division finishes in her 11 years and has taken her program to eight NCAA Tournaments, including four straight.

IOWA MEN'S TRACK AND FIELD

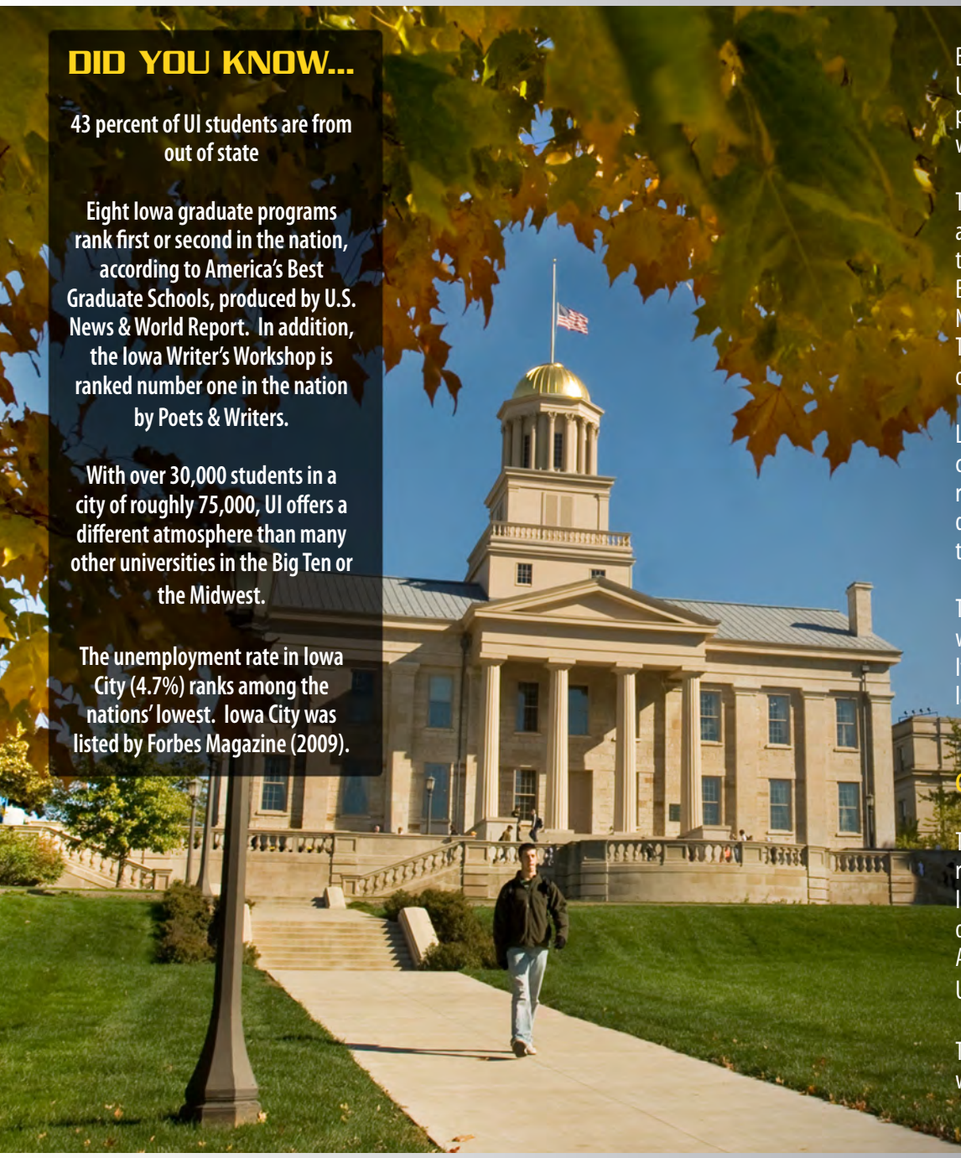
The men's track and field team finished eighth in the nation at the indoor national championships and won the outdoor Big Ten title in 2011. Coach Larry Wieczorek was named Big Ten Coach of the Year, while numerous Hawkeyes earned all-league and All-America honors.

IOWA MEN'G GOLF

Head coach Mark Hankins continued to have his men's golfers play at a high level. The Hawkeyes advanced to the NCAA Championships for the second time in three years and tied for 10th nationally – a school-record finish. Vince India was named the Big Ten Player of the Year and earned the prestigious Les Bolstad Trophy, which goes to the male golfer with the lowest stroke average in the Big Ten.

IOWA MEN'S BASKETBALL

The men's basketball team had its first season under head coach Fran McCaffery. Hawkeye fans flocked to Carver-Hawkeye Arena to watch the Black and Gold. Attendance increased 20 percent, which ranked fifth-best in the country.



DID YOU KNOW...

43 percent of UI students are from out of state

Eight Iowa graduate programs rank first or second in the nation, according to America's Best Graduate Schools, produced by U.S. News & World Report. In addition, the Iowa Writer's Workshop is ranked number one in the nation by Poets & Writers.

With over 30,000 students in a city of roughly 75,000, UI offers a different atmosphere than many other universities in the Big Ten or the Midwest.

The unemployment rate in Iowa City (4.7%) ranks among the nations' lowest. Iowa City was listed by Forbes Magazine (2009).

Building on a rich tradition of excellence and innovation, the University of Iowa is educating more than 30,000 students annually, preparing them for success immediately following graduation, as well as continued achievements throughout their lives.

The University of Iowa offers more than 100 areas of undergraduate and graduate study, including seven professional degree programs, through its 11 colleges: the colleges of Liberal Arts and Sciences, Business, Dentistry, Education, Engineering, Law, Medicine, Nursing, Pharmacy and Public Health, and the Graduate College. The University also provides on-campus and distance learning opportunities through its division of Continuing Education.

Long recognized as one of the nation's leading centers for the arts, creative writing, space physics, hydraulics, basic health and science research, and communication studies, the University of Iowa is also developing new strengths in informatics, nanoscience, simulation technology, and other fields.

The University of Iowa has maintained its tradition as an innovator with its pioneering work in speech pathology, science and medicine. It's also known internationally for being home of one of the nation's largest public university owned hospitals.

Cultural Diversity at the University of Iowa

The University of Iowa has worked hard to assure that students of all races, creeds, and backgrounds are represented in the student body. In the past five years, Iowa has moved aggressively towards its goal of creating communities of African American, Hispanic/Latino (a), Asian American, and Native American students, and making the University a stimulating, welcoming place.

The Center for Diversity and Enrichment is a coordinated university-wide resource for creating and maintaining this campus diversity and providing opportunities for all University students interested in other cultures. Scholarships, fellowships, and support programs help to make this possible. International Programs brings together scholars from around the world and UI students looking to expand their perspectives by studying abroad or exploring global issues on campus. International students at the University of Iowa represent more than 100 countries.

CONSIDER THE COMMUNITY

Some universities offer the large city atmosphere. Others offer the college town experience. The University of Iowa is uniquely situated to offer student athletes the very best of both of these different worlds.

Once the state capital, Iowa City is considered one of the truly great college towns in America. The city swells with excitement on game day when nearly 16,000 Hawkeye fans from across the state and Midwest converge on Carver-Hawkeye Arena to cheer the Hawkeyes to another victory.

Iowa City's downtown area is alive and thriving. Restaurants, shops and sidewalk cafes face onto pedestrian malls full of people watchers, street entertainers and food vendors.

Attractive in size and friendliness, Iowa City is big in the sense that it offers all the advantages and conveniences of much larger metropolitan areas like summer and permanent employment opportunities, live entertainment and concerts, fine dining and shopping, industry and commerce.

Iowa City is located in the heart of eastern Iowa, within easy driving distance of several major Midwestern cities including the state capital, Des Moines, as well as Chicago, St. Louis, Kansas City, Minneapolis and Milwaukee.

"Iowa City is unlike any other place in the state, both because of its regional beauty and because of its independent, serendipitous spirit.

There's nothing like feeling the crisp air as one tours the Big Ten campus, just as there's no other feeling like walking the shores along Lake MacBride, north of town. This is an ideal location for a weekend trip filled with sights, sounds, shopping and plenty of activities on any given weekend."

If there is a star in Iowa, Iowa City is it."

A CAMPUS ON THE MOVE

The University of Iowa campus caters to pedestrians and bicyclists; it's compact enough to cross in a 20-minute walk. A free ride on a campus bus can cut that time in half. Entertainment on campus and in Iowa City is geared toward student budgets, with many events offered at no charge. The University of Iowa offers more than 400 student organizations, extensive recreation facilities, 50 fraternities and sororities, and a broad schedule of arts performances, lectures, cultural celebrations and club sports and intramural athletic contests to go along with the intercollegiate competition within the Big Ten Conference.

STUDENT-ORIENTED NIGHT LIFE

Iowa's campus is set right in the city's downtown area, where you'll find dance clubs, movies, coffeehouses, and restaurants to suit every taste. Live music can be found any night of the week in clubs and restaurants, even outside on warm evenings on the downtown pedestrian mall. Iowa City businesses are convenient and geared toward student tastes and needs.

CONSIDER THE OPPORTUNITY FOR A QUALITY EDUCATION

A quality education is one of the highest priorities at the University of Iowa. Just over 90 percent of Johnson County residents have graduated from high school, and in Iowa City nearly half of all residents have earned bachelor's degrees. In fact, census statistics indicate Johnson County is the 10th "smartest" county in the nation, based on percentage of residents holding bachelor's degrees.

The University of Iowa represents a strong presence in the community while enhancing the quality of life in Iowa City.

Your aspiration may be a career in medicine, law or education. Regardless of the specific career field, it's important to identify the college baseball program that places a high priority on academics and allows you to take full advantage of the tremendous educational opportunities available.

At the University of Iowa, student-athletes learn quickly that academic success is the highest priority.

ATHLETICS AND ACADEMICS

At The University of Iowa, a strong relationship has been developed between athletics and academics, where coaches and athletes work hand-in-hand with academic deans and professors, assuring the student-athlete the best possible opportunities to excel in the classroom and in athletics.

From the first visit for any prospective student-athlete, to the completion of their academic and athletic career at Iowa, academic personnel play a large role in the career of Hawkeye student-athletes. Beginning with the on-campus visits, student-athletes are introduced to professors in their selected field of study, and are able to establish a relationship and develop an understanding of the academic setting in which they will be involved.

THE RUSSELL AND ANN GERDIN ATHLETIC LEARNING CENTER

The University of Iowa Russell and Ann Gerdin Athletic Learning Center opened in the fall of 2003. The Learning Center is a multi-level, 20,000-square foot facility, which provides one all-purpose area for the academic pursuits for Iowa's male and female student-athletes. The facility is centrally located on the UI campus for easy access by all student-athletes and staff.

The Learning Center features an auditorium, two classrooms, study lounges for freshmen and upper-class student-athletes, a computer lab, a teaching lab, the athletic library, office space for Iowa's Academic Student Services staff and a display area to recognize the academic accomplishments of Iowa's student-athletes.

When a student-athlete considers his future, he should consider prospects beyond baseball. He should consider where he wants to be five, ten, fifteen years from today, and the best course of action for getting there. Also, he should decide early on to commit to excellence in every challenge undertaken.

Without a doubt, the men and women listed here took time to consider their future and the ways to get there. These former University of Iowa undergraduates have gone on to become leaders in their chosen fields. They also pursued their academic studies as strongly as the Iowa Hawkeyes go after a loose ball or rebound.

THE HAWKEYE **NICKNAME**

The University of Iowa borrowed its athletic nickname from the state of Iowa many years ago. The name Hawkeye was originally the name of the hero in the fictional novel, The Last of the Mohicans, written by James Fenimore Cooper. Cooper had the Delaware Indians bestow the name on a white scout who lived with them.

In 1838, 12 years after the book was published, people in the territory of Iowa acquired the nickname, chiefly through the efforts of Judge David Rorer of Burlington and James Edwards of Fort Madison.

Edwards, editor of the Fort Madison Patriot, moved his paper to Burlington in 1843 and renamed it the Burlington Hawkeye. The two men continued their campaign to popularize the name, and territorial officials eventually gave it their formal approval.
Herky The Hawkeye

The Hawkeye nickname gained a tangible symbol in 1948 when a cartoon character, later to be named Herky the Hawkeye was hatched. The creator was Richard Spencer III, instructor of journalism at Iowa.

The impish Hawk was an immediate hit and acquired a name through a statewide contest staged by the athletic department. John Franklin, a Belle Plaine alumnus, was the man who suggested Herky.

Since his birth more than 45 years ago, Herky has symbolized Iowa athletics and epitomized University life. He even donned a military uniform during the Korean War and became the insignia of the 124th Fighter Squadron.

During the mid-1950s, Herky came to life at a football game as the Iowa mascot. Since that time, Herky has been a familiar figure at Iowa athletics events.

Eugene and Pat Gauron Women's Tennis Scholarship

In 1999, Pat Gauron established the Eugene and Pat Gauron Women's Tennis Scholarship. It was one of the first scholarships to benefit the women's athletic program at the University of Iowa.

Gene was a psychologist in the UI Department of Psychiatry and later worked for the UI Spine Diagnostic and Treatment Center. He also served as a sports psychologist for various UI athletic teams. Gene died in 1995. Pat, a UI graduate, is still an avid fan and attends numerous Hawkeye sporting events. She was named an Honorary Letterwinner in 2002.
